

Do you Prescribe Medications to Treat Opioid & Alcohol Use Disorders?

Culture Heals™ can be used in combination with addiction medications to support and enhance your patients' treatment efforts.

Culture Heals comes with free 24/7 Crisis & Access phone support.

Simply refer your patients to:

cultureheals.com

Culture Heals™ is a self-guided roadmap for those struggling with addiction:

Addresses alcohol, other drugs, and behavioral addictions (gambling, sex, food)

Includes over 6 hours of video to understand and address addiction

Builds upon evidence-based theories of change: Contextual Model & Self-Determination Theory

Provides COVID-specific resources for those struggling with addictive behaviors

Culture Heals™ is a free program funded by the Central Council of the Tlingit & Haida Indian Tribes of Alaska.

Culture Heals™ is not a substitute for professional or expert treatment. It does not provide medical advice, clinical diagnoses, or replace care from a licensed clinician. The program is not a specific treatment or intervention.
